Mr. Johnny Reising

Dear Mr. Reising:

Ohio EPA has reviewed DOE's July 20, 1998 version of the "Certification Design Letter for Area 1 Phase I - Sediment Traps 2 & 3". Based upon our review, Ohio EPA approves the document. As always, any changes to the sampling locations or CU boundaries defined within the CDL must be presented to the EPAs for review prior to their initiation.

If you have any questions, please contact Donna Bohannon or me.

Sincerely,
